

The logo for SGS, consisting of the letters 'SGS' in a bold, black, sans-serif font. A thin orange vertical line is positioned to the right of the letters, and a thin orange horizontal line is positioned below the letters, forming a partial frame.

**POLYMER SOLUTIONS
INCORPORATED**

A stylized orange paper airplane is shown in flight, moving from left to right. The airplane is semi-transparent, revealing a hand holding a tablet computer from which it appears to be flying. The background is a light, neutral color.
